Keith Season Report

Once again the Keiths started the year on a positive note, all keyed up to emulate last seasons performance and deal to those dirty Catholic Bastards Marist. To help prepare for the upcoming season, three pre-season games were arranged against our now traditional rivals, Ohoka at Mandeville, Diamond Harbour at Diamond Harbour and Waihora at Tai Tapu. It was a chance to blood some new Keiths, and the Waihora game was the first opportunity for us to look at our first ever Keith Wog, **Gregory CHRONOPOLOS** from the United States. It was obvious from the start that Soak was going to have his work cut out for him. Our new Captain for 1996, **Peter RYAN** gained a new nickname after the Waihora match. Apparently Sally does not like being called Mrs Fish. Don't you like a nice piece of Halibut in the morning Sally?

So, to the season. First match 13th April vs University at Ilam (everyone say thank you John for the nice pitch). Two very odd co-incidences occurred in this match. The first match of last season was against University at Ilam and **Mark BRAY**, the big goose, scored. Spooky things happened possums which made Soak score again in exactly the same situation! The whole team was astounded. But the other very odd co-incidence was that **Michael BONE** who left us after the first game last season, but then came back just in time to start the '96 season, played one game and then buggered off back to the U.K.! I suppose his stats speak for themselves. Three years a Keith,

12 games, no points. One of our new boys **Dean JENKINS** proved his worth, by being kicked in the balls and shrugging it off and carrying on. Either he's got testes of steel, or none at all.

Last years losers Shirley, after getting dicked by Marist the week before, decided, after getting dicked by us 49-5, to drop down a grade to the new fifth division, where they promptly got dicked by the Richard Craniums. A very good start if I say so myself. Another very good start was made by **Scott GRAHAM** scoring in his first game of the season.

A new team in the grade who has not been seen in Third Grade (4th Div) for many a long year was Belfast, and they were our third game up. Thanks mainly to the try scoring and kicking abilities of **David ALLEN**, the loss we received (18-22) was worth a bonus point in the competition. This was one game that Coaches, Management and Players alike thought we should not have lost. And for the first time every in living memory, our resident Fijian, **Gregory HARDING**, was at the Club with no Keith Apparel.

Game four gave us a chance to see whether "Evil" **Kai NEEVEL** could slot into the centre spot, and he did so with ease against New Brighton at QEII Stadium. Although not a scorer, he did help set up one or two tries, of which the big skiter, **Kerry LOPER** scored four of the six that day. And Soak, as Player of the Day, got top marks for his 7.4 seconds jug scull.

Nearly a Keith record on the 11th May at North Park against Sydenham Red. One point shy of the highest Keith score of 101-0. the score of 100-10 was equally impressive though with **Martin SKELTON** skiting as Lopes did with four tries. Another new boy, **Terry WOOD** scored a season record with seven conversions that day. Watch out Jase. Also another new boy, **Morehu TE TOMO** was given his second outing for the year. Unfortunately, other commitments kept him out of the squad for much of the rest of the season.

The first of the three Linwood teams in the grade, Linwood Green was up next. Bromley sand pit was the venue for this all important match. For history was being broken that day. Lau Lau played his two hundred and fiftieth Club open grade match and his 98th Keith match, all with a total of 98 points. this is no mean achievement and Greg did it in style by nearly scoring a try with his mother Betty watching. the front row for this match co-incidentally, was combined, 104 years of age. **Stewart FREEBORN** as usual, had to replace Greg after half time, for which he is admirably suited.

Game seven against the other Sydenham (Blue) team was not quite so easy. the game was played in atrocious weather at Sydenham Park, where apparently **Jason EVERSON** forgot the directions to. The game very nearly ended in another loss to the Keiths with the Sydenham goal kicker missing a vital penalty at full time, which kept the score at 13-12 to us. Phew!

Linwood Red gave the boys a bit of a work out in the first half (30-0) but they tightened their jockstraps for the second where we only managed to score one try to our last of the three American imports **Anthony PRUTCH**. This is also the game where **Warwick TAYLOR**, a Keith from way back, scored a hat trick. Try, Conversion and Penalty. Well done Tails.

Albion. Or should I say Marist-Albion Black. **Anthony GERMAN** as always, distinguishes himself whenever he plays, but this time he outdid himself. Three fines for Kicking as a Forward. Everybody knows forwards are not allowed to kick the ball. this, like the Sydenham Blue game was a tough and hard encounter, and very very close. Unfortunately, Albion came out on top 8-9, making our second loss in the round. And for the first time this season, no replacements were used, even when we were only 14 on the field when Tails was sin-binned.

Burnside again proved their worth, by losing to us 51-24. H.B. again proving his worth with a hat trick as well (tries-2, conv-4, pen-1). **Wallace SHUTTLEWORTH** tried to upstage Terry though by spewing up Bananas at the Bull Bar after the game. Again, forwards kicking came to the front. This time Marty and Wal.

Game 11. Also known as the Morrison-McCormack Memorial Trophy. Also know as Lets get those dirty left footers. Also, but more correctly known as Marist-Albion Green. Our Marist defectors from last season and this season, **Peter KEARNEY** promised to publicly burn

all their Marist gear, stolen or otherwise, before the game. I suspect they did not do this and that is why we lost, again, 9-25. they will pay in the next Protestant life for that, I assure you.

Our new sponsors, Max and Tak, graciously donated a new Trophy to compete for when playing against the Argonauts from Christchurch. this is known as the Bull Bar Trophy and very nice it is too. Yet another new boy **Simon GIFFORD** made his position secure for several years at least in this game, as did **Ian COWAN** who scored his single try for the year as per usual. The plaque on the Trophy now reads HSOB 48 CHCH 0.

The last of the Linwood sides, the Black one, was up next, and oddly enough, we played them at South Park. As neither team had a home ground advantage, everybody went hell bent for leather. **John STONEMAN** scored, as did Wal, Lopes and H.B.; but all to no avail. Loss number four at 26-28. Another game we felt we should have won. That bought up the end of Round One, and the top six (including us) made it to the Championship Round. the rest fighting for the scraps on the Plate Round.

So, Round Two, and Belfast; this time up at the black hole of Christchurch, Sheldon Park. **Matthew STONE** provided the only moment of any note by scoring, but even though no-one played exceedingly badly, no-one played well. Like Tails before him, Uli also spent time in the bin, as should have Blaster for pretending to be a forward and breaking from the scrum too early. What a desert Ref. The first four man jug-off after the

game made up for any misery we were feeling at the time. Bus, Flash, Ants, who had his father down from Auckland to watch, and the Midget, **Anthony SMITH** provided some light relief, with Gav recording the only did not finish of the season. **Kerry FORD** also watched his last game for a while. He successfully dodged the background check and made it into the Police Force. Johnny can now get that traffic ticket he got wiped.

Game 15 again brought up Albion, but the weather conspired against us to cancel the game. Not that it made any difference to our standing at all.

New Brighton again, and we started with a hiss and a roar with **Glenn EATHORNE** providing the first points, but unfortunately, no-one else did, and the result of 5-13 proved it. Jase did provide points after the game, but in the fine book, not the paddock. Late, NKA, Lying to a fellow Keith, Misuse of Beer, Hiding Keith Beer (probably the most heinous crime of all) and imitating a tackler. What more can I say. The man's asking for trouble.

Those little bastards, Sydenham Blue again at North Park provided us with an all important opportunity to restore some Keith pride, but I'm afraid that only the first half provided any form of pride at all. Kai and **Alan ALLISON** both scored, but they, nor any-one else was able to again that day. Kai also scored against them in the first round match, and said he would do so again this match. He's no liar. Unfortunately, he had to come off with a suspected AC thingy joint thing

problem I think. Thankfully it turned out to be not as serious as first thought. **James CLARK** thought he was Ants for a minute and started to kick the ball, but the trusty old Fine Master **John McKEAGE** was there to spot it. Well done Johnno!

We had a non competition game the very next day against the West Side Condors from Chicago in the United States, of which our aim was to get the yanks pissed as a fart on the Saturday night, and walk all over them on the Sunday. Unfortunately, as with the best laid plans, it completely backfired on us. Most of the boys, especially Pup and **Stephen KEARNS** looked, and felt like shit. Naturally we beat the Americans, but at a heavy price in Keith Apparel.

Now we knew that the next game, #18, was to be our last for the season, and our trusty and erstwhile coach, **Mark WILLIAMS** wanted every body to have a good hard fought game. It was, guess of guesses, against Marist-Albion Green and again the Morrison-McCormack Trophy was up for grabs. **Michael SMITH**, possibly playing his last year of Keith Rugby, had an absolute blinder of a match, taking three tight-heads. Even **Paul McKEAGE** managed to play without breaking down onto a stretcher. He was, of course, late as usual. Eight this year compared to 12 last season. At least he's improving on that score. After our one and only Dropped Goal of 1996, we were down 3-27 at half time, with Soak and Lopes adding tries in the second spell. Soak, fined of course, kicked one out of two conversions, and the final whistle was 15-27.

So the season wasn't what we'd hoped it could be, and the Rugby wasn't what we knew it should have been, but Keithly behaviour, and all round general Keithliness made the season one to remember. Our new boys, who once again proved pivotal to our successes, Our North American imports who brightened up our lives, and made some of us very wary of which shoes we drink out of, Our Former Keith Greats who came back into the fold once again, and Our continuing Keiths, who time in and time out put their bodies on the line have made the 1996 Keith Rugby Season one that I look back on and will remember as one of spirit and effort. The two most important ingredients for a Rugby player.

I hope to see you all back next year playing or supporting the Keiths, and look forward to fineing you again.
